## Product Specification

|                              |              |
|------------------------------|--------------|
| Capacity (ton)               | 100          |
| Stroke (mm)                  | 300          |
| Horizontal working area (mm) | 785          |
| Vertical working area (mm)   | 0 - 945      |
| Y Working speed (mm/s)       | 3,5          |
| Motorised                    | 1            |
| Motor (kW)                   | 1,5          |
| Voltage                      | 3x400V-50 Hz |
| Length (mm)                  | 1300         |
| Width (mm)                   | 990          |
| Height (mm)                  | 1830         |
| Net weight (kg)              | 755          |
