

Manual folding machine

540721000

Hand operated folders - SCA 660

SCANTOOL SCA 700 - 1300 folding machines are light, easy to operate, manual machines particularly suited for folding of the thin sheet metals.

The machines are offered with clamping bar: Sharp nose - low 45°. It is easy to remove the under-frame for transportation or bench mounting. A special bench-mounting kit is offered as optional equipment. All folding machines can now be easily convert from SCA - low to SCB - high or SCST - with segments with the additional tooling.
